Official Parish Announcement: New Portal Branding

Dear Parishioners,

We are pleased to unveil the new official documentation layout for St. Paul's Parish Chipata. This design is part of our ongoing effort to digitize and professionalize our community communications. The portal will now automatically include our official logo, full address, and contact details on all generated documents, including:

- Thanksgiving and Donation Lists
- Liturgy and Service Rosters
- Parish Executive Committee Notices
- Financial and Procurement Reports

We believe this new look reflects the transparency and commitment of our community to excellence through faith and technology.

One Faith, One People, One Portal.

Sincerely,

Parish Executive Committee

St. Paul's Parish Chipata
